- Yes No Need to find out

23. Recycling facilities are available on our church premises:

- Outside (for use by the local community) Inside (primarily for use by church members)
 Both outside and inside No Need to find out

24. Our church has given due consideration to the possibilities of generating renewable energy on our premises (e.g. air or ground source heat pump, solar PV panels, wind turbine, etc.):

- Yes No Need to find out

25. Our church generates renewable energy on/for our premises (e.g. from air or ground source heat pump, solar PV panels; solar hot water; wind turbine etc.):

- Yes No Need to find out

LAND

1. Does your church have influence over any land? (e.g. churchyard, community nature reserve)

- Yes No

2. The land at our church is managed for the encouragement of native wildlife (birds, animals and plants):

- Yes No Need to find out

3. We encourage native wildlife on our church land through provision of the following:

- Bird Boxes Bat Boxes Bug Hotel Hedgehog Boxes
 Other (please tell us in the additional comments) None Need to find out

4. Stocked wildlife feeding stations are present on our church land (e.g. bird feeders, bird tables):

- Yes, all year round Yes, winter only No Need to find out

5. Our church land contains a pond or wetland area that is good for wildlife:

- Yes No Need to find out Not applicable (no space for a pond)

6. We grow plants on our land that benefit birds, bees, butterflies etc.:

- Yes No Need to find out

7. Our church maintains an area of land for native wildflowers:

- Yes No Need to find out

8. Our church has researched and established a mowing regime appropriate to the conservation of the grassland and wildlife present:

- Yes No Need to find out

9. Our church avoids the use of harmful chemicals (pesticides, herbicides or fertilizers) in the management of our land (excluding paths and driveways):

- Yes No Need to find out

10. Our church participates in responsible native tree planting schemes in accordance with guidance from environment professionals:

- Yes No Need to find out

11. Our church undertakes wildlife (birds, animals and plants) surveys on our land:

- Annually (or more) Occasionally
 Never Need to find out

12. Our church participates in a scheme, other than Eco Church, designed to promote conservation on church land (e.g. 'Living Churchyards'):

- Yes No Need to find out

13. We grow fruit and vegetables on our land (including in planters, window boxes etc. as well as in a community garden/allotment):

- Yes No Need to find out
 Not applicable (insufficient land)

14. Composting facilities are available on our church land:

- Yes No Need to find out

15. Our church actively encourages members to use church land for recreation/contemplation (e.g. picnics, prayer etc.):

- Yes No Need to find out
 Not applicable (insufficient land)

16. Our church actively encourages members of the local community to use the church land for recreation/contemplation:

- Yes No Need to find out
 Not applicable (insufficient land)

17. Our church has established a management plan for the land for which we are responsible:

- Yes No Need to find out
 Not applicable (insufficient land)

1. Our church organises events providing an opportunity for local people to engage with local leaders on local environmental issues (e.g. local MPs, AMs or council leaders)

At least annually Less often Never Need to find out
2. Our church (either alone or as part of a local network) engages with our local MP, AM, local council or Public Service Board on environmental matters:

At least annually Less often Never Need to find out
3. Our church arranges for local environmentalists to speak in our services:

At least annually Less often Never Need to find out
